

Restarting face-to-face non-residential activities at Wemyss Firs

Dear Parent/Guardian,

Welcome back to Wemyss Firs, we're so excited to welcome Beavers, Cubs, Scouts and Explorers back to the Campsite!

The safety and welfare of our visitors is always our highest priority and we have completed risk assessments and implemented safety measures to ensure that face-to-face Scouting can be delivered safely at Wemyss Firs.

We ask that you help us with the points below to ensure we can keep everyone safe:

- Please arrive at Wemyss Firs at the time agreed with your child's Leader, these have been carefully planned to ensure a staggered arrival of participants.
- Please drop off your child at the main car park at Standing Stane Road. A Leader will be there to meet you and separate participants into Bubbles before walking to the campsite. Unfortunately Parents/Guardians cannot enter the campsite at this time due to strict participant numbers and track & trace requirements.
- Participants will be required to follow hygiene practices such as hand sanitising and hand washing. Please advise your child's Leader if there are any special requirements.
- Please be aware that children aged 12 and over are required to follow social distancing guidelines.
- All activities will be outdoors, please equip your child accordingly, dressing for the weather. Indoor toilet facilities will continue to be available.
- Depending on the current guidelines, it is possible that no food or drink, including drinking water, can be supplied at the campsite so please ensure that they bring snacks and refreshments with them.

It is likely that your child's Leader will provide further guidance based on their programme, so please do help them by following all of the requirements. Please also continue to keep close to evolving government guidelines and any last-minute updates from your child's Leader. To view our risk assessments please visit wemyssfirs.org.uk

We hope your child has a great experience at Wemyss Firs and we look forward to welcoming everyone back for residential experiences in the near future.

Thank you and take care,

Alan Evans
